ABOUT COMPANY

**Over 40 years of experience in service
providing within the energy sector**

LesegoTshiamo was established in 2016 by astute partners who had the vision to supply and distribute lubricants, petroleum and diesel in different sectors within Africa.

Our goal is to execute the highest standards of service and to form strategic partnerships that will benefit our clients.

We have strategic partnerships with several major players in the industry which enables us to have an international footprint sourcing raw materials and high standard complete product from different regions throughout the globe. Our transportation channels enable us to deliver products within Africa servicing our clients in different sectors.
